REAL PUNCH AT WILSON'S

Washington, Jan. 14.—Regular punch, with a real kick in it, was served at last night's diplomatic reception at the White House. President Wilson maintained the Taft custom of providing a buffet luncheon. The crowd was too great for dancing.

Secretary of State Bryan, who was present, did not sample the punch.

FEDERAL RESERVE FOR 20

Twenty Chicago national banks, with capital, surplus and undivided profits aggregating \$80,000,000, voted in annual meetings to join the federal reserve system.

Many state banks held annual meetings, but took advantage of their rights to delay decision regarding the reserve system.
